MY VISION

Want people to become Coaches because they want to not have to
Need to raise the standard of Presenters
Clubs to have structure with a Head Coach (accountability)
All Coaches qualified are offering a consistent high level of service
Update tools and resources available with support
Players at all levels can go to a Coach for advice
Coaches have a clear career path
All materials are kept up to date
Kaizen – continuous life-long improvement

Once this playing attire would have been banned. But as times change, it is now accepted
