

## **CALLS FOR EXPRESSIONS OF INTEREST**

**2022 is Queensland Croquet Association's (as it was called then) CENTENARY. It was the year it formed its own association, prior to joining the national Australian Croquet Council in 1949.**

**The Association still has member Clubs which were formed prior to 1922. They are Point Lookout (1898), Bundaberg (1900), Ipswich (1902), Toowoomba (1903), East Brisbane (1905), Merthyr (1907) and Mackay (1908). There are also seven Clubs who affiliated during the following ten years.**

**This is definitely a year to celebrate - and one where all seven Regions should be involved.**

**Therefore the CAQ Management Committee is calling for Expressions of Interest from members to join a Centenary Sub-Committee.**

**Those interested please email your Expression of Interest to [secretary@croquetqld.org](mailto:secretary@croquetqld.org).**

**The Management Committee wishes to form a sub-committee whose remit is to make suggestions for activities that could be included in the celebrations, then plan during 2021 for the chosen events and activities to come to fruition in 2022.**

**We look forward to hearing great ideas for such a celebration!**
